

FELIS BELGICA

Appendix 1 to internal rules v. 25/01/2025

Felis Belgica Price list as of 01/02/2025

The price list below is annually submitted to the FBe general assembly and becomes effective after approval by its members.

However, the board has the authority to adjust it during the calendar year, if the financial situation of the association requires this and based on a reasoned advice from the treasurer.

MEMBERSHIP FEES	
Affiliated/effective main member contribution - per year	€ 30,00 (€ 2,50 / month)
Family member contribution - per year	€ 12,00 (€ 1,00 / month)
Junior member contribution (< 18y) per year	€ 6,00 (€ 0,50 / month)
Honorary member contribution (only upon Board recommendation)	€ 0,00
Payment of club membership fee (at the latest on 1/01)	50% of the above amounts
Contribution of non-effective (supporting) member per year	€ 30,00

Member contribution is always due per calendar year.
In the first year, new members pay the contribution pro rata¹ to the number of months of membership, plus an administrative cost of € 7.50 for main/effective members.

This administrative cost is not taken into account if a cattery is immediately registered.

Each club pays the percentage of the FBe membership fee determined above before 01/01 of the new calendar year. The one-off administrative cost is in favour of Felis Belgica to cover the import of pedigrees.

Transfer of membership fees between the club(s) and Felis Belgica (in one way or another) is administratively managed by the secretary and the treasurer.

¹ New member pay at prorata, according to the month where they become member. If you are already a member, renewal of membership is expected to take place before 31.12 for the year to come. Reactivation of already existing membership will lead to full membership year cost to be paid, no matter the time in the year"

FELIS BELGICA

Appendix 1 to internal rules v. 25/01/2025
